

Drill Attendance Register

Record every training session and drill. Keep for at least 2 years for audit purposes.

| Date | Drill / scenario | Participants | Observations | Corrective actions |
|------|------------------|--------------|--------------|--------------------|
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
|      |                  |              |              |                    |
