

ICS Activation Checklist — Firearm / Weapon Attack

Printable version of the on-screen checklist for the Firearm / Weapon Attack scenario.

Time	Step	Actions	Lead / support	Confirmations
0–1 min	Step 1 — Check safety	- If gunfire is nearby: take cover, then leave the area if safe, leaving belongings behind; move guests to safe rooms, stay low, silence phones/radios. - Detect: identify the weapon, do not approach — move to cover and alert IC/OC: "Code Red — [Location] — [Type of Threat]." - If gunmen enter camp: do NOT fight unless sure they are unarmed; follow instructions to avoid escalation; only collect information if safe to do so.	1st Responder / Security / Guide	☐ Guests sheltered · IC notified
1–3 min	Step 2 — Activate ICS / lockdown	- IC declares "Code Red," activates ICT/ERT, assigns OC, LC, EC, Medic, Fire Marshal, Responders; OC implements lockdown of nearby buildings. - EC & IC notify Head Office and Police. - Lockdown: barricade doors, stay away from sight lines, silence devices, remain quiet until instructed.	IC / OC / EC	☐ ICT/ERT activated · HO & authorities informed ☐ Lockdown confirmed · doors barricaded · radio silence
3–5 min	Step 3 — Secure guests & team	- Move guests to secure rooms or low ground away from windows; turn off lights and keep silent. - LC turns off non-essential power sources.	OC / Responders	☐ Lights & non-essential power off
5–10 min	Step 4 — Communication & coordination	- IC & EC alert police/authorities on secure channels; use pre-assigned radio codes, avoid mentioning guest locations. - IC & EC inform neighbouring premises if safe; only GM (IC) or Operations Director speak externally; EC logs timeline and guest accountability.	IC / EC / Police / Fire Marshal	☐ Authorities & HO updated ☐ Neighbouring properties informed · guests accounted for
10–20 min	Step 5 — Contain / neutralise threat	- When police/responders arrive, follow instructions, keep hands visible, avoid sudden movements, stay silent unless addressed. - Police/Rangers assume control; OC assists with site maps; LC keeps vehicles ready for medical support.	IC / Police / OC	☐ Police assume control · site maps handed over ☐ Support transfers arranged
20–30 min	Step 6 — Medical response & evacuation	- Evacuate only when police/responders declare the area safe; move quickly to assembly points under supervision. - Medic attends to the injured; LC prepares medevac route; IC authorises external communication to families via Head Office.	Medic / LC / IC / OC	☐ Evacuate when instructed · patients stabilised ☐ Medevac prepared if authorised · HO informed families
30–60 min	Step 7 — All clear / scene security	Authorities declare "Safe to Move"; OC supervises a property sweep for weapons or suspects; IC announces "All Clear."	IC / Authorities / OC	☐ Area cleared · property sweep completed ☐ All Clear declared
≤ 24 hrs	Step 8 — Debrief & reporting	- Conduct ERT debrief within 2 hours; EC submits the Firearm/Weapon Incident Report to Head Office within 24 hours. - Schedule counselling for affected team members and guests.	IC / EC / All Commanders	☐ Debrief completed · report submitted ☐ Counselling scheduled
